Project description:

The "EU4Business - Advice for Small Businesses programme" is the continuation of the "Small Business Support activities in the Eastern Partnership region". It assists small- and medium-sized enterprises (SMEs) in the Eastern Partnership (EaP) countries in improving their competitiveness and ability to attract external financing.

The support is provided through improving the financial literacy of senior managers and by facilitating their firms' access to high quality business support services, enhancing managerial capacity in all areas, and striving to develop the capacity of the local consultancy market to deliver needed services.

Expected results:

- Strengthening local business advisory services.
- Preparing companies for investment.
- Strengthening and improving sustainability of local business advisory services infrastructure.
- Contributing to improved access to finance for SMEs and enhancing competitiveness of the supported SMEs.
