Project description:

The "EU4Business - Framework for Capacity Building to Support Financial Intermediaries in Azerbaijan and Georgia" project seeks to create sustainable financial intermediaries (FIs), as well as to improve the local financial sector's efficiency, effectiveness and transparency needed to facilitate the access to financing for enterprises. It provides assistance to FIs focusing on specific projects and clients, supports the application of internationally acceptable banking practices, and promotes competition in the region.

Expected results:

- Supporting institution building programmes.
- Provision of credit advisory services.
- Facilitating trade finance advisory services.
- Developing management skills.
- Assisting with the launch of new financial products.
- Conducting IT assessment, development and implementation.
